Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

Built about 1900-1910.

Two-story wood-frame house. Vinyl siding and aluminum storms over the original wood sash windows. New fiber-glass shingles on the roof. Concrete porch and 4"X4" replacement porch supports on a new base. To the rear the house was enlarged by 1933. It is possible that some windows have been covered up by the vinyl siding. Chimneys have been removed above the roof line. Currently used as an office and storage for Bob's Towing.

Prepare both a summary paragraph of significance and a general statement of history and support.

Possibly built for, and certainly used by the druggist, Mr. Dudrose who had his store on the next block at 5221.

An indication of how it might have looked may be evident from the similar example which exists further up U.S. Route One at the intersection of Greenbelt. (see below)
